AutoRoll Dispenser Series ● See the light.

**New. Intuitive,
patron-friendly light...**
clearly directs users to
towel activation zone,
eliminating hand waving
frustration.

Eliminate the hodge-podge of brushed steel and plastic replacement dispensers with AutoRoll's integrated design and stainless finish.

B-3974 Recessed Towel/Waste

B-2974 Surface-Mounted

B-29744 Semi-Recessed

3974-250 Interchangeable Module
